Corrugated Conduits Pipes

APPLICATIONS :

- Concrete Wiring.
- Underground Cable Laying.
- Protection pipe for Cross - Linked Polyethylene pipe.

FEATURES :

- Easy to handle and install.
- Good flexibility and high pliability.
- Excellent Resistance against :-
 1. Abrasion
 2. Chemical and other corrosive elements
 3. Under cold weather
 4. Deformation
- Excellent insulation
- Easy to cut
- Excellent Durability
- HS-CODE: 3971.31-2000

Specification

Size (mm)	I.D (mm)	O.D (mm)	Length (Mtr)
16	16	21.0	100
22	22	21.5	100
28	28	34.0	50
