

# Fineflow PLASTIC INDUSTRIES

Manufacturers & Exporters

## Duct Hose

### APPLICATIONS :

- Ventillation
- Building, Mines
- Welding gas at ship-Building Yard
- Toxic gas
- Dust collection
- Civil engineering
- Metal grinding and machine manufacturing plant
- Textile spinning and weaving factory
- Transporting powders and liquid
- Heating house and air-conditioning system
- Cleaner hose for Automobile and various industrial machines

### FEATURES :

- Excellent flexibility and light weight
- Good resisatance against chemicals
- Smooth interior surface with good flow rating
- Easy to handle and install

**Specifications :**

<b>SIZE (mm)</b>	<b>SIZE (inch)</b>	<b>I.D (mm)</b>	<b>O.D (mm)</b>	<b>Std. Length (Mtr)</b>
